EXPERIENCE

Universidad Tec Milenio

GRAPHIC DESIGN TEACHER

2025 - 2026

- Led and facilitated comprehensive Graphic Design courses, mentoring students in the mastery of industry-standard tools and design theory. Developed curriculum focused on practical application, bridging the gap between academic concepts and professional execution in fields such as branding, typography, and digital media. Leveraged over a decade of industry experience to provide students with actionable feedback on technical workflows, project management, and creative problem-solving, ensuring they were prepared for the demands of the modern design market.

ISAI'S PACKAGING & DESIGN

FREELANCE PACKAGING CONSULTANT

2024 - 2025

- With over ten years of experience in the packaging industry, I have developed a comprehensive understanding of technical packaging design and worked with a diverse range of products, spanning cosmetics, beverages, sanitization, and the emerging cannabis sector becoming an external business consultant for businesses with packaging needs.
- Leveraging design and branding principles to maximize the potential of materials and finishes. I approach each project with a unique problem-solving mindset and a meticulous attention to detail, ensuring precision in the design of various packaging formats, including shrink sleeves, pouches, labels, and boxes
